1. What is your role within the STEM community?
2. What complex problem do you address in your work?
3. What elements do you need to consider when addressing this problem?
4. How did you get to where you are today?
5. What advice do you have for becoming a systems thinker?

NURTURING ROOTS FARM
 BEACON HILL, SEATTLE

FARMERS MARKETS

Allows farmers to sell produce and get back 100% of profits
 Allows farmers to sell produce and get back 100% of profits
 Allows farmers to sell produce and get back 100% of profits
